5	63	20	22	100
6	130	23	28	100
7	105	21	24	100
8	73	22	20	100
9	90	20	20	100
10	65	18	24	100
11	65	39	48	200
12	50	27	32	100
13	42	25	20	100
14	15	16	19	100

**Profit Made: \$42.18**

## Learning Outcome:

- Increasing prices in the summer season would be beneficial.
- Reduce expenses during winter/rainy season (or cloudy/humid weather).
- Buy limited amount of ice, sugar and lemons whenever required.
- Excessive quantity of ice did not work during the summer season.
